## The Pathway to WELLNESS

*The people of the Pojoaque Pueblo have  
a word in Tewa for “pathway”: Poeb.*

*It is a connection between the  
past, present, and future.*

*A symbol of an emerging path,  
the traditional path one should  
follow in life.*

Discover your pathway at Wo’ P’in (wo PEEN) Spa, or Medicine Mountain. A pathway where luxury surrounds you from past, present, and future. Immerse yourself in the beauty and mystique of the region. Experience the seductive natural energy of Wo’ P’in as it gently engages you, stilling time and immersing you in an environment of pure relaxation.

The result: a definitive and alluvial spa experience that reflects the richness of the Pojoaque tradition, helping to forge a path to personal healing, harmony, and peace.

Native Americans have long used water, steam and heat for purification of the body and spirit. We recommend you arrive at least 45 minutes prior to your appointment so that you may take our purification ritual prior to your spa treatment.
